

# WAUBONSEE

COMMUNITY COLLEGE

The Automotive Service and Auto Body Technology Programs at Waubonsee Community College in joint partnership with VALEES (a consortium of local high schools including Oswego High School, Oswego East High School, Indian Valley Vocational Center, Aurora East High School and Fox Valley Career Center) invite you to participate in the fall 2010 ICAIA Conference on October 7<sup>th</sup> & 8<sup>th</sup> 2010.

There will be Automotive Instructors from across the state of Illinois attending this conference, both in the automotive technology, and the collision repair technology fields. As a vendor, display tables will be available throughout the campus for you to present and give demonstrations about your products. For those vendors who are interested in presenting a small training seminar about your products and equipment, there are three time slots available on Thursday and two time slots available on Friday. The seminar times will be 60 to 75 minutes long, and classrooms with audio visual equipment will be available for your use.

The host hotel for this event will be the Comfort Suites Hotel located in downtown Aurora, IL (see the enclosed brochure for specific directions and booking information). Walter Payton's Roundhouse Restaurant conveniently located adjacent to the Comfort Suites will be the site of the Thursday evening banquet. All other conference-related activities will take place at the main Waubonsee Community College Campus located in Sugar Grove, IL.

For further questions regarding the fall conference call or email Andy McDonald (630) 466-2550, [amacdonald@waubonsee.edu](mailto:amacdonald@waubonsee.edu), Guy Tiberio (630) 636-231, [gtiberio@oswego308.org](mailto:gtiberio@oswego308.org) or Ken Kunz at (630) 466-2331, [kkunz@waubonsee.edu](mailto:kkunz@waubonsee.edu).

We hope we can count on your participation, to make our Conference as successful and informative as it can possibly be for all parties involved.
