

You are invited to participate in the Illinois College Automotive Instructors Association (ICAIA) Conference and Trade Show. Showcase your newest products and innovations to more than 200 automotive/collision/Diesel instructors.

ICAIA is an organization of both secondary and post-secondary automotive instructors from Illinois, Missouri and surrounding states. Part of ICAIA's mission is to provide comprehensive automotive training for its membership on a semiannual basis through two-day conferences in addition to an **industry trade show**.

Each ICAIA Conference begins with a half-day trade show. The trade show showcases new products and services that are available to the automotive industry, training programs and future technicians.

Your company can sponsor a student scholarship (\$300), a seminar refreshment break or lunch (\$200). Sponsors are formally recognized at different times throughout the conference.
