New Online Registration Option for ICAIA

ICAIA members can now register for conferences and pay membership dues online!

The online portal provided by Brushfire delivers a simple and easy to use process for members to complete the registration process. Utilizing the online registration portal provides:

- Increased convenience (available 24/7)
- Increased speed (No forms to fill out)
- Tracking (Helps the host school and Association plan for numbers)

The online portal can even handle Vendor Registration for the host school. Many of our vendors desire to pay via credit card and this new process provides benefits to them and the host school.

There is a small fee associated with utilizing the online registration portal, but it does deliver great value to the member, vendor, host school, and the Association.
